PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

I. OBJECTIVE

The objective of this project is to evaluate and design a new system that meets all current codes to replace the existing Individual Subsurface Sewage Disposal Systems (ISSDS) at the Civilian Conservation Corps Campground (CCC) Dump Station in Belleplain State Forest in Cape May County.

II. CONSULTANT QUALIFICATIONS

A. CONSULTANT & SUB-CONSULTANT PRE-QUALIFICATIONS

The Consultant shall be a firm pre-qualified with the Division of Property Management & Construction (DPMC) in the following discipline(s):

• P006 Sanitary Engineering

The Consultant shall also have in-house capabilities or Sub-Consultants pre-qualified with DPMC in:

- P002 Electrical Engineering
- P011 Environmental Engineering

As well as, <u>anv and all</u> other Architectural, Engineering and Specialty Disciplines necessary to complete the project as described in this Scope of Work (SOW).

III. PROJECT BUDGET

A. CONSTRUCTION COST ESTIMATE (CCE)

The initial Construction Cost Estimate (CCE) for this project is \$ 125,000.

The Consultant shall review this Scope of Work and provide a narrative evaluation and analysis of the accuracy of the proposed project CCE in its technical proposal based on its professional experience and opinion.

B. CURRENT WORKING ESTIMATE (CWE)

The Current Working Estimate (CWE) for this project is \$ 216,875.

The CWE includes the construction cost estimate and all consulting, permitting and administrative fees.

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

The CWE is the client agency's financial budget based on this project Scope of Work and shall not be exceeded during the design and construction phases of the project unless DPMC approves the change in Scope of Work through a Contract amendment.

C. CONSULTANT'S FEES

The construction cost estimate for this project *shall not* be used as a basis for the Consultant's design and construction administration fees. The Consultant's fees shall be based on the information contained in this Scope of Work document and the observations made and/or the additional information received during the pre-proposal meeting.

IV. PROJECT SCHEDULE

A. SCOPE OF WORK DESIGN & CONSTRUCTION SCHEDULE

The following schedule identifies the estimated design and construction phases for this project and the estimated durations.

PR	PROJECT PHASE ESTIMATED DURATION (Co. 1. Site Access Approvals & Schedule Design Kick-off Meeting 2. Investigation Phase • Project Team & DPMC Plan/Code Unit Review & Comment		alendar Days)

9. Award Phase 28

10. Construction Phase

11. Project Close Out Phase 30

B. CONSULTANT'S PROPOSED DESIGN & CONSTRUCTION SCHEDULE

The Consultant shall submit a project design and construction schedule with its technical proposal that is similar in format and detail to the schedule depicted in **Exhibit 'A'**. The schedule developed by the Consultant shall reflect its recommended project phases, phase activities, activity durations.

A written narrative shall also be included with the technical proposal explaining the schedule submitted and the reasons why and how it can be completed in the time frame proposed by the Consultant.

This schedule and narrative will be reviewed by the Consultant Selection Committee as part of the evaluation process and will be assigned a score commensurate with clarity and comprehensiveness of the submission.

V. PROJECT SITE LOCATION & TEAM MEMBERS

A. PROJECT SITE ADDRESS

The location of the project site is:

Belleplain State Forest 1 Henkinsifkin Road Woodbine, NJ 08270

GPS Coordinates: 39.25744° N, 74.85231° W

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

B. PROJECT TEAM MEMBER DIRECTORY

The following are the names, addresses, and phone numbers of the Project Team members.

1. Department of Environmental Protection:

Name: <u>Brian R. McDowell, Project Manager</u>

Address: Department of Environmental Protection

275 Freehold-Englishtown Road Englishtown, New Jersey 07726

Phone No: (609) 789-8712

E-Mail: Brian.McDowell@dep.nj.gov

Name: Jeffrey T. Adams, Jr., Project Manager

Address: Department of Environmental Protection

275 Freehold-Englishtown Road

Englishtown, New Jersey 07726

Phone No: (609) 468-4555

E-Mail: Jeffrey.Adams@dep.nj.gov

VI. PROJECT DEFINITION

A. BACKGROUND

Civilian Conservation Corps (CCC) Campground is one of three campgrounds located within Belleplain State Forest, a 23,000-acre New Jersey State Forest in Northern Cape May County. The region was established by the State of NJ for recreation, wildlife management, timber production, and water conservation in 1928.

In 1933, three camps were set up by the Civilian Conservation Corps (CCC) Reforestation Relief Act supplying labor to the forest for over an 8 year period. The CCC converted the Meisle Cranberry Bog into Lake Nummy, a popular swimming, boating, and fishing area. They also constructed the original forest headquarters (now the Nature Center), maintenance building, a road system still used today, bridges, and dams.

Belleplain State Forest is located within the Pinelands National Reserve and contains the greatest variety of habitats anywhere in New Jersey, including saltwater marsh, Atlantic white cedar swamp, mixed hardwood swamp and oak-hickory forest. The preservation of the region's richness provides well-known bird spotting, especially during the spring migration. There are over fifty miles of trails for hiking, biking and horseback riding. Other activities include hunting, fishing, camping, stargazing, swimming, and canoeing/kayaking.

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

Belleplain State Forest is pet-friendly and open for visitors year-round. The CCC Campground Dump Station provides service for all three campgrounds at Belleplain State Forest. The location is managed by the New Jersey State Parks, Forest & Historic Sites.

B. FUNCTIONAL DESCRIPTION OF THE SITE

The Civilian Conservation Corps (CCC) Campground includes campsites that are camper, RV and trailer accessible. Built in the 1970s, the dump station and the Individual Subsurface Sewage Disposal Systems (ISSDS) design was installed to meet the load and demand of the campgrounds and campers during that time.

Currently, the dump station services any RV/campsite vehicles using any of the active campsites at Belleplain State Forest. The dump station ties into an aged and poor functional sewage disposal system. There is a nearby camper's sanitary facility with flush toilets and showers that is also connected to the ISSDS. (see **Exhibit 'D'** Photos).

The CCC Campground dump station and sewage disposal systems are in various stages of disrepair due to age and poor functionality. Additionally, both the dump station and the sewage disposal system are not up to current codes and standards. There is a single lane campground roadway that services the dump station preventing all other vehicle traffic to pass. The CCC Campground will be open during construction.

VII. CONSULTANT DESIGN RESPONSIBILITIES

A. IMPROVEMENTS

1. General:

The Consultant shall provide the design, construction administration, permitting and bid/award services to replace the existing dump station and Individual Subsurface Sewage Disposal Systems (ISSDS) on the CCC Campground in Belleplain State Forest. The new design shall follow all codes and standards applicable. The design shall include the replacement of tanks, disposal fields, sewage pipes, and any other additional requirements the Consultant determines as necessary. The Consultant shall evaluate and determine to either abandon-in-place or the safe removal and disposal of any equipment being replaced.

2. Existing Conditions:

The Consultant shall conduct an evaluation of the site's existing conditions. An environmental screening of topography, geology, soils, surface water and ground water is to be completed. Soil suitability testing shall be performed to estimate depth to groundwater.

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

The Consultant shall compare the existing dump station ISSDS with the available record drawing(s) and document the location of the existing individual septic tanks and existing disposal bed systems. This information shall also be used to identify the areas of the park that will be impacted by the construction work and potential removal of materials/debris.

3. New Design Requirements:

a. Dump Station

The Design Consultant shall provide a complete code approved dump station design and specified equipment/components to include the designated location, layout, electric, water supply, drainage, and any necessary site improvements.

b. Individual Subsurface Sewage Disposal Systems (ISSDS)

The Design Consultant shall provide a fully engineered and code approved design to replace the sewage disposal systems. The design shall include, but not be limited to, a scaled layout of the new sewage disposal systems and all related system components. Design documents and specifications shall indicate the type of system and the name of the desired manufacturer and two alternate manufacturers of each type of equipment proposed.

c. Vehicle Roadway

The Consultant shall evaluate and determine an Agency approved design to include site improvements allowing road access to other vehicles when the Dump Station is in use.

4. Environmental:

The Consultant shall provide the design for the replacement of a septic system that is environmentally safe. The septic system design shall be approved by the Agency Project Manager Park staff prior to installation, as well as, all other official authorities concerned, as per all applicable codes.

5. Wildlife Migration:

Design documents shall notate the necessary restrictions for clearing of trees and shrubs to avoid bird nesting season between May 15th through July 31st.

6. Pinelands Approval:

The Consultant shall complete a Pinelands application and submit to the Pinelands Commission for review and approval prior to securing UCC Permits.

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

7. Contractor Staging/Area:

Construction design documents shall include a staging area approved by the Project Team indicating the location where the contractor can store debris, materials, tools, and equipment.

8. Signage:

The Consultant shall include in the design documents any new signage required and/or missing.

B. DESIGN MEETINGS & PRESENTATIONS

1. Design Meetings:

Conduct the appropriate number of review meetings with the Project Team members during each design phase of the project so they may determine if the project meets their requirements, question any aspect of the contract deliverables, and make changes where appropriate. The Consultant shall describe the philosophy and process used in the development of the design criteria and the various alternatives considered to meet the project objectives. Selected studies, sketches, cost estimates, schedules, and other relevant information shall be presented to support the design solutions proposed. Special considerations shall also be addressed such as: Contractor site access limitations, utility shutdowns and switchover coordination, phased construction and schedule requirements, security restrictions, available swing space, material and equipment delivery dates, etc.

It shall also be the responsibility of the Consultant to arrange and require all critical Sub-Consultants to be in attendance at the design review meetings.

Record the minutes of each design meeting and distribute within three (3) calendar days to all attendees and those persons specified to be on the distribution list by the Project Manager.

2. Design Presentations:

The minimum number of design presentations required for each phase of this project is identified below for reference:

Investigation Phase: One (1) oral presentation at phase completion

Design Development Phase: One (1) oral presentation at phase completion.

Final Design Phase: One (1) oral presentation at phase completion.

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

C. EXISTING DOCUMENTATION

Copies of the following documents will be provided to each Consulting firm at the pre-proposal meeting to assist in the bidding process.

• DPMC Project No: P1173-00: Campsite Electric and Water Service, As-Built Drawings 01/31/2022, Gillan & Hartmann, Inc.

Review these documents and any additional information that may be provided at a later date such as reports, studies, surveys, equipment manuals, as-built drawings, etc. The State does not attest to the accuracy of the information provided and accepts no responsibility for the consequences of errors by the use of any information and material contained in the documentation provided. It shall be the responsibility of the Consultant to verify the contents and assume full responsibility for any determination or conclusion drawn from the material used. If the information provided is insufficient, the Consultant shall take the appropriate actions necessary to obtain the additional information required.

All original documentation shall be returned to the provider at the completion of the project.

VIII. PERMITS & APPROVALS

A. NJ UNIFORM CONSTRUCTION CODE PLAN REVIEW AND PERMIT

The project construction documents must comply with the latest adopted edition of the NJ Uniform Construction Code (NJUCC).

The latest NJUCC Adopted Codes and Standards can be found at:

http://www.state.nj.us/dca/divisions/codes/codreg/

1. NJ Uniform Construction Code (NJUCC) Plan Review

Consultant shall estimate the cost of the NJUCC Plan Review by DCA and include that amount in their fee proposal line item entitled "Plan Review and Permit Fee Allowance", refer to paragraph X.A.

Upon approval of the Final Design Phase Submission by DPMC, the Consultant shall submit the construction documents to the Department of Community Affairs (DCA), Bureau of Construction Project Review to secure a complete plan release.

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

As of July 25, 2022, the Department of Community Affairs (DCA) is only accepting digital signatures and seals issued from a third party certificate authority. The DCA ePlans site can be found at:

https://www.nj.gov/dca/divisions/codes/offices/ePlans.html

Procedures for submission to the DCA Plan Review Unit can be found at:

https://www.state.nj.us/dca/divisions/codes/forms/pdf_bcpr/pr_app_guide.pdf

Consultant shall complete the "Project Review Application" and include the following on Block 5 as the "Owner's Designated Agent Name":

Joyce Spitale, DPMC PO Box 235 Trenton, NJ 08625-0235 Joyce.Spitale@treas.nj.gov 609-943-5193

The Consultant shall complete the NJUCC "Plan Review Fee Schedule", determine the fee due and pay the NJUCC Plan Review fees, refer to Paragraph X.A.

The NJUCC "Plan Review Fee Schedule" can be found at:

http://www.state.nj.us/dca/divisions/codes/forms/pdf_bcpr/pr_fees.pdf

2. NJ Uniform Construction Code Permit

Upon receipt of a complete plan release from the DCA Bureau of Construction Project Review, the Consultant shall complete the NJUCC permit application and all applicable technical subcode sections. The "Agent Section" of the application and certification section of the building sub-code section shall be signed. These documents, with six (6) sets of DCA approved, signed and sealed construction documents shall be forwarded to the DPMC Project Manager.

The Consultant may obtain copies of all NJUCC permit applications at the following website:

http://www.state.nj.us/dca/divisions/codes/forms/

All other required project permits shall be obtained and paid for by the Consultant in accordance with the procedures described in Paragraph VIII.B.

3. Prior Approval Certification Letters:

The issuance of a construction permit for this project may be contingent upon acquiring various "prior approvals" as defined by N.J.A.C. 5:23-1.4. It is the Consultant's responsibility to

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

determine which prior approvals, if any, are required. The Consultant shall submit a general certification letter to the DPMC Plan & Code Review Unit Manager during the Permit Phase of this project that certifies all required prior approvals have been obtained.

In addition to the general certification letter discussed above, the following specific prior approval certification letters, where applicable, shall be submitted by the Consultant to the DPMC Plan & Code Review Unit Manager: Soil Erosion & Sediment Control, Water & Sewer Treatment Works Approval, Coastal Areas Facilities Review, Compliance of Underground Storage Tank Systems with N.J.A.C. 7:14B, Pinelands Commission, Highlands Council, Well Construction and Maintenance; Sealing of Abandoned Wells with N.J.A.C. 7:9D, Certification that all utilities have been disconnected from structures to be demolished, Board of Health Approval for Potable Water Wells, Health Department Approval for Septic Systems. It shall be noted that in accordance with N.J.A.C. 5:23-2.15(a)5, a permit cannot be issued until the letter(s) of certification is received.

4. Multi-building or Multi-site Permits:

A project that involves many buildings and/or sites requires that a separate permit shall be issued for each building or site. The Consultant must determine the construction cost estimate for *each* building and/or site location and submit that amount where indicated on the permit application.

5. Special Inspections:

In accordance with the requirements of the New Jersey Uniform Construction Code N.J.A.C. 5:23-2.20(b), Bulletin 03-5 and Chapter 17 of the International Building Code, the Consultant shall be responsible for the coordination of all special inspections during the construction phase of the project.

Bulletin 03-5 can be found at:

http://www.state.nj.us/dca/divisions/codes/publications/pdf_bulletins/b_03_5.pdf

a. Definition:

Special inspections are defined as an independent verification by a certified special inspector for **Class I buildings and smoke control systems in any class building**. The special inspector is to be independent from the Contractor and responsible to the Consultant so that there is no possible conflict of interest.

Special inspectors shall be certified in accordance with the requirements in the New Jersey Uniform Construction Code.

b. Responsibilities:

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

The Consultant shall submit with the permit application, a list of special inspections and the agencies or special inspectors that will be responsible to carry out the inspections required for the project. The list shall be a separate document, on letter head, signed and sealed.

B. OTHER REGULATORY AGENCY PERMITS, CERTIFICATES AND APPROVALS

The Consultant shall identify and obtain all other State Regulatory Agency permits, certificates, and approvals that will govern and affect the work described in this Scope of Work. An itemized list of these permits, certificates, and approvals shall be included with the Consultant's Technical Proposal and the total amount of the application fees should be entered in the Fee Proposal line item entitled, "Permit Fee Allowance."

The Consultant may refer to the Division of Property Management and Construction "Procedures for Architects and Engineers Manual", Paragraph "9. REGULATORY AGENCY APPROVALS" which presents a compendium of State permits, certificates, and approvals that may be required for this project.

The Consultant shall determine the appropriate phase of the project to submit the permit application(s) in order to meet the approved project milestone dates.

Where reference to an established industry standard is made, it shall be understood to mean the most recent edition of the standard unless otherwise noted. If an industry standard is found to be revoked, or should the standard have undergone substantial change or revision from the time that the Scope of Work was developed, the Consultant shall comply with the most recent edition of the standard.

IX. ENERGY REBATE AND INCENTIVE PROGRAMS

The Consultant shall review any and all programs on the State and Federal level to determine if any proposed upgrades to the mechanical and/or electrical equipment and systems for this project qualify for approved rebates and incentives.

The Consultant shall review the programs available on the "New Jersey's Clean Energy Program" website at: http://www.njcleanenergy.com as well as federal websites and New Jersey electric and gas utility websites to determine if and how they can be applied to this project.

The Consultant shall identify all applicable rebates and incentives in their technical proposal and throughout the design phase.

The Consultant shall be responsible to complete the appropriate registration forms and applications, provide any applicable worksheets, manufacturer's specification sheets, calculations, attend meetings, and participate in all activities with designated representatives of

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

the programs and utility companies to obtain the entitled financial incentives and rebates for this project.

All costs associated with this work shall be estimated by the Consultant and the amount included in the base bid of its fee proposal.

X. ALLOWANCES

A. PLAN REVIEW AND PERMIT FEE ALLOWANCE

The Consultant shall obtain and pay for all of the project permits in accordance with the guidelines identified below.

1. Permits:

The Consultant shall determine the various permits, certificates, and approvals required to complete this project.

2. Permit Costs:

The Consultant shall estimate the application fee costs for all of the required project permits, certificates, and approvals (excluding the NJ Uniform Construction Code permit) and include that amount in its fee proposal line item entitled "Plan Review and Permit Fee Allowance". A breakdown of each permit and application fee shall be attached to the fee proposal for reference.

NOTE: The NJ Uniform Construction Code permit is excluded since it will be paid for by the State.

3. Applications:

The Consultant shall complete and submit all permit applications to the appropriate permitting authorities and the costs shall be paid from the Consultant's permit fee allowance. A copy of the application(s) and the original permit(s) obtained by the Consultant shall be given to the DPMC Project Manager for distribution during construction.

4. Consultant Fee:

The Consultant shall determine what is required to complete and submit the permit applications, obtain supporting documentation, attend meetings, etc., and include the total cost in the base bid of its fee proposal under the "Permit Phase" column.

Any funds remaining in the permit allowance will be returned to the State at the close of the project.

PROJECT LOCATION: Belleplain State Forest, Cape May County

PROJECT NO: P1318-00 DATE: December 13, 2023

XI. SOW SIGNATURE APPROVAL SHEET

This Scope of Work shall not be considered a valid document unless all signatures appear in each designated area below.

The client agency approval signature on this page indicates that they have reviewed the design criteria and construction schedule described in this project Scope of Work (including the subsequent contract deliverables and exhibits) and verifies that the work will not conflict with the existing or future construction activities of other projects at the site.

XII. CONTRACT DELIVERABLES

The following are checklists listing the Contract Deliverables that are required at the completion of each phase of this project. The Consultant shall refer to the DPMC publication entitled "Procedures for Architects and Engineers," 3.0 Edition, dated September 2022 available at https://www.nj.gov/treasury/dpmc/Assets/Files/ProceduresforArchitectsandEngineers.pdf for a detailed description of the deliverables required for each submission item listed. References to the applicable paragraphs of the "Procedures for Architects and Engineers" are provided.

Note that the Deliverables Checklist may include submission items that are "S.O.W. Specific Requirements". These requirements will be defined in the project specific scope of work and included on the deliverables checklist.

This project includes the following phases with the deliverables noted as "Required by S.O.W" on the Deliverables Checklist:

- INVESTIGATION PHASE
- DESIGN DEVELOPMENT PHASE
- FINAL DESIGN PHASE
- PERMIT APPLICATION PHASE
- BIDDING AND CONTRACT AWARD
- CONSTRUCTION PHASE
- PROJECT CLOSE-OUT PHASE

Responsible Group Code Table

The codes below are used in the schedule field "GRP" that identifies the group responsible for the activity. The table consists of groups in the Division of Property Management & Construction (DPMC), as well as groups outside of the DPMC that have responsibility for specific activities on a project that could delay the project if not completed in the time specified. For reporting purposes, the groups within the DPMC have been defined to the supervisory level of management (i.e., third level of management, the level below the Associate Director) to identify the "functional group" responsible for the activity.

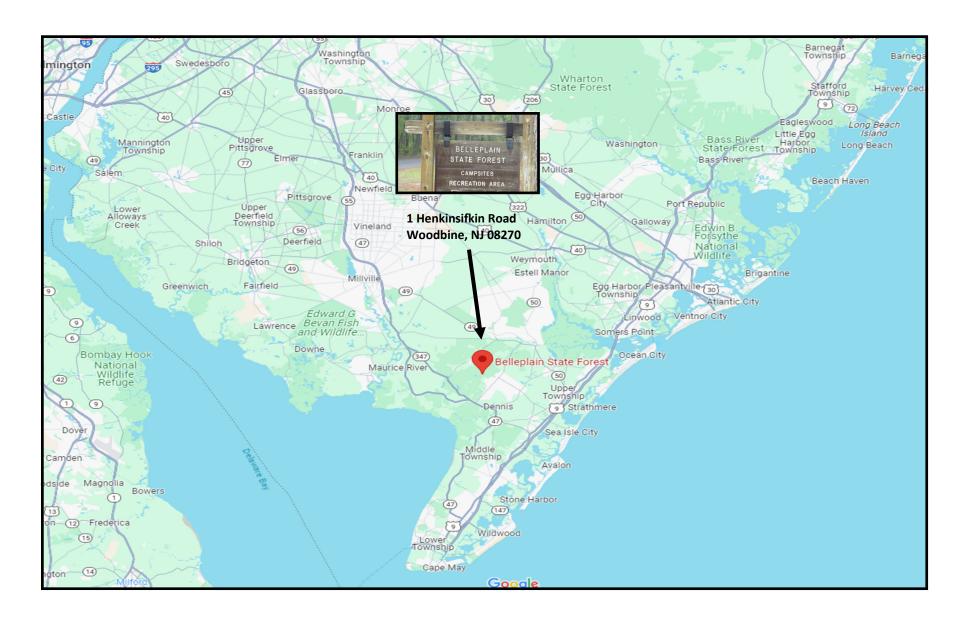

CODE	DESCRIPTION	REPORTS TO ASSOCIATE DIRECTOR OF:
CM	Contract Management Group	Contract Management
CA	Client Agency	N/A
CSP	Consultant Selection and Prequalification Group	Technical Services
A/E	Architect/Engineer	N/A
PR	Plan Review Group	Technical Services
CP	Construction Procurement	Planning & Administration
CON	Construction Contractor	N/A
FM	Financial Management Group	Planning & Administration
OEU	Office of Energy and Utility Management	N/A
PD	Project Development Group	Planning & Administration
