 - (5) Requests for the transfer of federal funds, in amounts greater than \$300,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item, as defined by the program class;
 - (6) Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.
 - b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. To permit flexibility in the handling of these appropriations, amounts may be transferred to and from the various items of appropriation by the appropriate officer or designee with notification given to the director on the effective date thereof.
 - f. Notwithstanding any provisions of this section to the contrary, transfers to and from the Special Purpose appropriation to the Governor for emergency or necessity under the Other Interdepartmental Accounts program classification and transfers from the appropriations to the various accounts in the category of Salary Increases and Other Benefits, both in the Interdepartmental Accounts, shall not be subject to legislative approval or disapproval.
18. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation necessary to make such appropriation available in accordance with legislative intent.
