Proposed Repeal and New Rule: N.J.A.C. 17:20-7.7

Authorized By: New Jersey Lottery Commission, James A. Carey, Executive Director.

email: Lotteryrulecomments@lottery.nj.gov

The agency proposal follows:

Summary

The Division of State Lottery ("Division" or "Lottery") proposes to repeal and replace N.J.A.C. 17:20-7.7 to delete the original requirements regarding information that can be used and/or disclosed of lottery winners and sets forth the requirements at N.J.S.A. 5:9-7.b, which provides that the holders of winning tickets or shares may choose to remain anonymous indefinitely. The Division's proposed amendment at N.J.A.C. 17:20-2.1 also amends definitions to include a definition of "second chance drawing" to clarify the distinction between a winner who is provided complete anonymity and a winner of a second chance drawing, whose anonymity is subject to certain conditions.

A 60-day comment period is provided on this notice of proposal and, therefore, pursuant to N.J.A.C. 1:30-3.3(a)5, the notice is excepted from the provisions at N.J.A.C. 1:30-3.1 and 3.2 governing rulemaking calendars.

Social Impact

The proposed amendment and repeal and new rule that establish the anonymity of lottery winners provide the regulatory framework that protects the identity and personal information of lottery winners, as provided at N.J.S.A. 5:9-7.b.

Economic Impact

The protection of the identity of lottery winners through the proposed amendment and repeal and new rule will maintain or increase the Lottery's revenue contributions, as customers and players of the lottery may be encouraged to play lottery games knowing that their identity will now be protected as a winner of a lottery game.

Federal Standards Statement

A Federal standards analysis is not required because the proposed amendment and repeal and new rule are not subject to any Federal standards or requirements.

Jobs Impact

The proposed amendment and repeal and new rule may generate additional jobs within the Division to implement the proposed amendment and repeal and new rule. The Division does not anticipate any jobs will be lost as a result of the proposed amendment and repeal and new rule.

Agriculture Industry Impact

The proposed amendment and repeal and new rule will not have an impact on the agriculture industry, because the proposed amendment and repeal and new rule pertain only to Lottery services.

Regulatory Flexibility Statement

The proposed amendment and repeal and new rule do not require a regulatory flexibility analysis, in accordance with N.J.S.A. 52:14B-16 et seq., because the proposed amendment and repeal and new rule do not affect existing requirements or impose additional reporting, recordkeeping, and compliance requirements on small businesses, as defined in the Regulatory Flexibility Act, N.J.S.A. 52:14B-16 et seq.

Housing Affordability Impact Analysis

The proposed amendment and repeal and new rule will have no impact on the affordability of housing in this State, nor will the proposed amendment and repeal and new rule have any impact on the average costs associated with housing, because the proposed amendment and repeal and new rule pertain only to expanding lottery services available to consumers in the State of New Jersey.

Smart Growth Development Impact Analysis

The proposed amendment and repeal and new rule will have no impact on the number of housing units in the State and will have no effect on smart growth development in Planning Areas 1 or 2, or within designated centers, pursuant to the State Development and Redevelopment Plan, because the proposed amendment and repeal and new rule pertain only to expanding lottery services available to consumers in the State of New Jersey.

Racial and Ethnic Community Criminal Justice and Public Safety Impact

The Division has evaluated this rulemaking and has determined that it will not have an impact on pretrial detention, sentencing, probation, or parole policies concerning juveniles and adults in the State. Accordingly, no further analysis is required.

The agency proposal follows:

Summary

In accordance with the sunset provisions at N.J.S.A. 52:14B-5.1, the Division of Taxation (Division) has evaluated the rules at N.J.A.C. 18:24B, Streamlined Sales and Use Tax Rules and Procedures, and have determined that the rules are necessary, reasonable, and proper for the purpose for which the rules were originally promulgated. Pursuant to N.J.S.A. 52:14B-5.1.c, N.J.A.C. 18:24B was scheduled to expire on January 20, 2024, which date was extended 180 days to July 18, 2024, pursuant to N.J.S.A. 52:14B-5.1.c(1). The Division proposes to readopt the rules with amendments that are necessary to conform the rules to the current Streamlined Sales and Use Tax Agreement (“SSUTA” or “Agreement”).

The Streamlined Sales and Use Tax Rules and Procedures are proposed to provide sellers and purchasers with guidance and assistance in the administration and implementation of the SSUTA. As a member state, New Jersey is required to be in compliance with the SSUTA through the incorporation of its provisions, including this chapter and procedures, into New Jersey law, rules, and policies. The amendments set forth additional provisions that are necessary for New Jersey to be in compliance with the SSUTA.

The rules proposed for readoption with amendments are summarized as follows:

N.J.A.C. 18:24B-1.1, Definitions, is proposed for amendment to revise the definitions of “certified service provider” or “CSP” and “Model 1 seller” in order to be consistent with the definitions of these terms in the Agreement.

At N.J.A.C. 18:24B-1.3, Administration of tax returns, paragraphs (e)1 and 2 are proposed for amendment to clarify that returns are due from Model 1, 2, and 3 sellers that are registered with New Jersey pursuant to the Agreement. N.J.A.C. 18:24B-1.3(e)3 is proposed for amendment to
