1.0 GENERAL INFORMATION AND INSTRUCTIONS TO OFFERORS

1.1 PREPARATION OF PROPOSAL

All proposals should be complete and carefully worded and must convey all the information requested by the Streamlined Sales Tax Governing Board. If significant errors are found in the Offeror's proposal, or if the proposal fails to conform to the essential requirements of the RFP, the Streamlined Sales Tax Governing Board, and they alone, will be the judge as to whether that variance is significant enough to require them to reject the proposal.

1.2 RECEIPT OF PROPOSALS: TIMELINESS

The required number of copies of the proposal must be submitted to and received by the Streamlined Sales Tax Governing Board no later than the date and time specified in this RFP. An Offeror mailing proposals on CD-ROM should allow a sufficient mail delivery period to insure timely receipt (i.e. receipt by that date and time) of their proposals by the Streamlined Sales Tax Governing Board. Any proposals received after the scheduled opening date and time will be immediately disqualified.

1.3 NUMBER OF PROPOSALS TO BE SUBMITTED

Each Offeror must submit the proposal by e-mail as specified above. Each Offeror must ALSO submit seven (7) copies of the proposal, each on a separate CD-ROM. The Offeror must clearly mark on the envelope or wrapping containing the proposals the label "STREAMLINED SALES TAX WEBSITE DEVELOPMENT."

1.4 PROPOSALS SIGNED

A signed letter of transmittal must accompany the proposals on CD-ROM. Unsigned proposals will be rejected.

1.5 PUBLIC OPENING

A representative of the Streamlined Sales Tax Governing Board will open all proposals received in response to this RFP publicly at the time and place specified in the schedule of Date of Key Events, and will list, at that time, the name of each Offeror and make the list available for public inspection.

1.6 FORMAT FOR PROPOSALS

Each proposal must be submitted in the following two parts:

The first part is the Offeror's Technical Proposal. Technical Proposals must be prepared in a manner designed to provide the Streamlined Sales Tax Governing Board with a straightforward presentation of the Offeror's capability to satisfy the requirements of this RFP. The Technical Proposal should be contained in a single file on the CD-ROM where practical. All documentation submitted with the Technical Proposal should be in electronic form and contained on the same CD-ROM where practical. Each response shall clearly indicate whether the Offeror's proposal complies or does not comply with the requirements of this RFP. The Offeror must explain in detail the method used to meet each requirement. Elaborate brochures and other promotional materials are not desired. The Offeror shall not include any cost information in the Technical Proposal.

The second part is the Offeror's Cost Proposal. The Cost Proposal must be clearly separated from the Technical Proposal, in a separate file on the same CD-ROM. The Offeror shall not include any technical information in the Cost Proposal.

1.7 ALTERNATE PROPOSALS

An Offeror may submit more than one proposal. To be considered, each additional proposal must satisfy the requirements of this RFP. The alternative proposal(s) must be contained on a separate CD-ROM, must be labeled "Alternate Proposal", should address all the requirements of the RFP, or specify those portions that the alternate proposal would address, signifying that all other requirements would be accomplished as set forth in the RFP, and should include a separate Cost Proposal reflecting the total cost to the Streamlined Sales Tax Governing Board for the Alternate Proposal.

1.8 CONFIDENTIAL INFORMATION

The Streamlined Sales Tax Governing Board will not present, or otherwise make available, any documents relating to this procurement to any other person, agency or organization other than those evaluating proposals for purpose of award until notification of intent to award. Commercial or financial information obtained in response to this RFP which is privileged and confidential and clearly marked as such will not be disclosed. Such privileged and confidential information includes information which, if disclosed, might cause harm to the competitive position of an Offeror supplying the information. Each Offerors, therefore, must visibly mark as "CONFIDENTIAL" each part of their proposal which they consider to contain proprietary information.

1.9 CONTACT LIMITATION

By submission of a response to this RFP, Offeror agrees that during the period following issuance of the proposal and prior to the statement of intent to award, Offeror shall not discuss this procurement with any party except the contact listed on the front of this RFP or other parties designated in this solicitation. No Offeror may attempt to discuss or attempt to negotiate with a Streamline Member State any aspect of the procurement without the prior approval of the Streamlined Sales Tax Governing Board.

1.10 PROPOSAL CONSTITUTES OFFER

By submitting a proposal, the Offeror agrees to be governed by the terms and conditions as set forth in this document and any subsequent amendment.

1.11 COMPETITION

The Offeror must advise the Streamlined Sales Tax Governing Board if any language, requirements, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this RFP to a single source.

1.12 OFFEROR'S DUTY TO INSPECT AND ADVISE

Each Offeror shall fully acquaint himself or herself with the scope of this RFP. The failure of an Offeror to acquaint himself or herself with existing pre-contract conditions or post-contract consequences shall in no way relieve such Offeror of any obligation with respect to this proposal or to any contract resulting hereof.

Each Offeror must notify the Streamlined Sales Tax Governing Board of all costs reasonably expected. Failure on the part of an Offeror to inspect, familiarize themselves with, or otherwise gather information as to the total cost to the Streamlined Sales Tax Governing Board, will, in addition to any and all other remedies available, create cost difference liabilities and claims against the ultimately successful Offeror.

1.13 QUESTIONS

Every effort has been made to insure that all information needed by an Offeror is included herein. If an Offeror finds that it cannot complete a proposal without additional information, it may submit written questions by e-mail to the Executive Director on or before the deadline set forth in the schedule of "Dates of Key Events", November 13, 2006. All questions and written replies will be distributed to all Offerors via the current Streamlined Sales Tax website, and will be a part of this solicitation.

1.14 AMENDMENTS

If it becomes necessary to revise any part of the RFP, the Streamlined Sales Tax Governing Board will issue a written amendment. **THE STREAMLINED SALES TAX GOVERNING BOARD SHALL NOT BE LEGALLY BOUND BY ANY INTERPRETATION THAT IS NOT IN WRITING.**

1.15 OTHER WRITTEN BASIS FOR PROPOSAL

If any of an Offeror's proposal has as its basis written statements (other than the RFP) provided to him or her by the Streamlined Sales Tax Governing Board, their officers, directors, agents or employees (such as notification of a change in the specifications), the Offeror must identify and include those statements in his or her proposal at the place or places applicable.

1.16 NOTICE AND POSTING OF AWARD

The Streamlined Sales Tax Governing Board will post the Notice of Award or Intent to Award at the Streamlined Sales Tax website, <http://www.streamlinedsalestax.org>. The Streamlined Sales Tax Governing Board will make every effort to post the award by the date given on the front of the RFP, December 18, 2006. However, situations arising during the evaluation of proposals, such as the need for clarification from one or more Offerors, may delay this posting. The Streamlined Sales Tax Governing Board reserves the right to make no award resulting from this RFP if the Streamlined Sales Tax Governing Board determines that it is not in the best interest of the Streamlined Sales Tax Governing Board to make an award.

1.17 RIGHT TO PROTEST

Any prospective bidder, offeror, contractor, or subcontractor who is aggrieved in connection with the solicitation of a contract shall protest to the Streamlined Sales Tax Governing Board within ten days of the date of issuance of the Request for Proposals or other solicitation documents, whichever is applicable, or any amendment thereto, if the Request for Proposal, other solicitation document or amendment is at issue. 2.3 OWNERSHIP OF DATA

All data and other records entered into any database of the Streamlined Sales Tax Governing Board or its committees or supplied to the Contractor by the Streamlined Sales Tax Governing Board or its committees, or supplied by the public with intent to provide such data to the Streamlined Sales Tax Governing Board or its committees are, and shall remain, the sole property of the Streamlined Sales Tax Governing Board. Contractor shall not: copy or use such records without the Streamlined Sales Tax Governing Board's written consent except to carry out contracted work as described in this RFP, or transfer such records to any other party not involved in the performance of a contract with the Streamlined Sales Tax Governing Board; and will return submitted records to the Streamlined Sales Tax Governing Board upon completion of the work hereunder.

2.4 FORCE MAJEURE

The Contractor shall not be liable for any damages resulting from any delay in delivery, or failure to give notice of delay, which directly or indirectly results from the elements, acts of God, delays in transportation, or delays in delivery by any cause beyond the reasonable control of the Contractor. The delivery schedule shall be extended by a period of time equal to the time lost because of such delay.

2.5 TAXES

Prices are to be exclusive of all sales, use, and like taxes. Any tax Contractor may be required to collect or pay upon the sale, use or delivery of the products shall be paid by the Streamlined Sales Tax Governing Board, and such sums shall be due and payable to the Contractor upon acceptance. Any personal property taxes levied after delivery shall be paid by the Streamlined Sales Tax Governing Board. It shall be solely the Streamlined Sales Tax Governing Board's obligation, after payment to the Contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. The Contractor agrees to refund any tax collected which is subsequently determined not to be proper and for which a refund has been paid to contractor by the taxing authority.

In the event that the Contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by the Streamlined Sales Tax Governing Board to the Contractor, the Contractor shall be liable to the Streamlined Sales Tax Governing Board for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay.

Taxes based on the Contractor's net income or assets shall be the sole responsibility of the Contractor.

2.6 WAIVERS

No waiver of right, obligation, or default shall be implied, but must be in writing, signed by the party against whom the waiver is sought to be enforced. One or more waivers of any right, obligation, or default shall not be construed to waive any subsequent right, obligation, or default.

2.13 LATENT DEFECTS

The Contractor warrants that upon notification by the Streamlined Sales Tax Governing Board of a latent defect in design, material or workmanship, or a latent nonconformity of the services, material, or equipment to the specifications, which would have constituted a basis for rejection if discovered prior to acceptance, it will repair or replace or otherwise correct the defect to the level of performance specified in this RFP.

2.14 INDEMNIFICATION

The Streamlined Sales Tax Governing Board, their officers, directors, agents, and employees shall be held harmless from liability from any claims, damages, and actions of any nature arising from the use of any materials furnished by the Contractor, provided that such liability is not attributable to negligence on the part of the using agency or failure of the using agency to use the materials in the manner outlined by the contractor in descriptive literature or specifications submitted with the Contractor's proposal.

2.31 SUBMITTING CONFIDENTIAL INFORMATION

INSTRUCTIONS: In determining whether to release documents, the Streamlined Sales Tax Governing Board will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "CONFIDENTIAL" or "TRADE SECRET". For every document Offeror submits in response to or with regard to this solicitation, Offeror must separately mark with the word 'CONFIDENTIAL' every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either (a) a trade secret, or (b) privileged and confidential. For every document Offeror submits in response to or with regard to this solicitation, Offeror must separately mark with the words "TRADE SECRET" every page or portion thereof, that Offeror contends contains a trade secret. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. If a portion of a bid or proposal is improperly marked as confidential or trade secret, the Streamlined Sales Tax Governing Board may, in its sole discretion, determine it non-responsive. If only portions of a page are protected, do not mark the entire page.

4.1 BACKGROUND AND BUSINESS NEED

The Streamlined Sales Tax Governing Board is a multi-state organization created by state governments, with input from local governments and the private sector, to simplify and modernize sales and use tax collection and administration.

Conceptual Website Diagram Summary
October 24, 2006**

Introduction

The goal of the site redesign is to simplify and restructure the current SST website adding dynamic elements for easy management and information sharing. Additional features will be added to provide a repository for all SST related information and create an environment where SST members and associates can conduct SST business.

This summary is a reflection of the SST Conceptual Website Diagram (Appendix A.1). It is divided into four sections: SST Home Page, Primary Entities, Standing Committees, and Site Resources. The intent of this document is to provide the developer with a vision of what is to be accomplished. How these items are to be accomplished will be defined by the developer.

SST Home Page

The SST home page serves as the entry point to centralized SST information. Basic information about the SST initiative can be found here, including a list of common questions, current activities, and links to related resources.

Standing Committees

Committees are template, data-driven pages that are created, altered, and deleted based on the needs of administration. Committees may have different requirements but should be constructed using a standard set of tools. A list of possible tools is included under the Site Resources section of this document.

Example: The Nominating Committee may have information available for general public viewing while having other 'works in progress' that should be shared only with committee members. The Nominating Committee page would use the Membership Database to identify who should have access to working documents as well as the Resource Database to access related documents. The committee may also need a calendaring component as well as a list serv for committee-related messages.

Instances of committees should be tagged to Primary Entities or to existing committees (sub committees) with a logical navigational flow. Creation and management of committees should be handled through an administrative interface by the site administrator and/or the committee chair.
